In this digitally ahead world, Evergreen Handicrafts sets an example of what can be achieved when work ethic and skill are applied to an ancient craft. Using the knowledge and techniques that have been passed down through many generations, the art of block printing brings passion and excitement into the 21st century. Evergreen Handicrafts was formed by Mr. Nitesh Jain in the year 2003. In these 18 years we have come up with a wide range in hand block printed & embroidered stuff. We are manufacturing Bed Covers, Bed Sheets, Dohars, Quilted Comforters, Diwan Sets, Cushion Covers, Table Tops, Rugs, Runners, Quilted Jackets, etc. Hand block printing is done in Bagru (renowned worldwide) whereas embroidery is done in house. We also specialise in patch work bed covers, bed sheets, diwan sets etc.
